The image shows two screenshots of a GitHub interface. The top screenshot is the profile page for JoelWagnerMendoncaCruz. It features a profile picture of a man with sunglasses, a bio stating 'JOEL WAGNER MENDONCA CRUZ' and 'JoelWagnerMendoncaCruz · he/him', and a location of 'Rio Grande'. It also shows '5 contributions in the last year' with a calendar grid and a 'Contribution activity' section for June 2023, noting 'Created 3 commits in 1 repository' and 'Created their first repository'. The bottom screenshot shows the 'leiloes' repository page. It displays the repository name 'leiloes', a file list including 'build/classes', 'lib', 'nbproject', 'src', 'build.xml', and 'manifest.mf', all committed 16 minutes ago. The right sidebar contains sections for 'About' (no description), 'Releases' (no releases published), 'Packages' (no packages published), 'Languages' (Java 100.0%), and 'Suggested Workflows' (Actions Importer).
